The Need

Child abuse and neglect affects over 110,000 North Carolina children every year.

The Solution

ETP is providing teens with information and life-skills to create healthier foundations for future families.

The Vision

We imagine a day when every child can be born healthy to loving parents who are prepared to provide, protect, and nurture them.

Donations generated through the Quilt Show Silent Auction will:

Equip more North Carolina teachers.

Empower more teens.

Protect more children.
